I Agree to the following guidelines which must be followed:

1. If Renter is not a cooperator of the District, he or she will sign a Cooperator Agreement Form and become a Cooperator of the District

2. A pre-investigation of the field must be made by representative of the District

3. Renter will be liable for damages to the drill during transportation and during use. Renter will also be liable for damages to drill resulting from misuse and the drill will be repaired to the satisfaction of the District Board. The district will be responsible for maintenance due to normal use and operation. ***NOTE: Speed shall not exceed 25 MPH on highway! ***

4. To abide by any acreage and/or time limitations defined by the representative of the District.

5. Drill will be picked up and returned to the District by the renter unless other arrangements are made

6. To have a representative of the District present during initial use to assist in adjustment & planting.

7. Rent of the drill will be $8.00 per acre. Payment will be made within Thirty (30) days from the date of the invoice based on the rate set forth below and the acreage covered. All invoices that are outstanding after 30 days will be assessed a 1.5% interest rate per month after the first 30-day billing period. All Payments will be made to the Portage SWCD at 6970 State Route 88, Ravenna, OH 44266

8. When finished using the drill, the user will clean and grease all parts and make it ready to use for the next renter. Any person leaving unused seed in the drill box will be charged for the cleaning ($50-$100).

9. The District no-till drill will not be used if conditions are unsuitable for planting - This determination will be made at the discretion of the District staff and/or supervisors.
