

Lake & River Friendly Establishment Program

Are you a Lake & River Friendly Establishment?

Program Mission

Please join our effort to reduce plastic waste in the Great Lakes and Ohio's rivers! Our goal is to encourage environmental responsibility by promoting local businesses that commit to sustainable practices.

Criteria

To participate in our program, you **must** follow the criteria below:

- No styrofoam is used
- Participate in proper recycling
- Provide plastic straws only upon request

And at least 2 more of your choice:

- Provide friendly service for customers with a reusable cup or container
- Use recycled or eco-friendly products
- Reusable silverware is provided for dine-in customers
- No plastic coffee stirrers

Business Information

Please share your business information with us so we can commend your sustainability efforts on our website!

Business Name:

Owners:

Address:

What you serve:

Website URL:

Social Media and phone number:

Environmental commitment:

Do you have any other eco-friendly practices you'd like to share (ex: low-flow toilets, eco-friendly lighting, etc.)?

If you have any promotional images you'd like us to use on our website, please send them to:
